

## **ACTIVITY TRACKER**

## **PATHWAYS TO COLLEGE**

The Pathways to College core practice involves coordinating activities that provide students with a chance to explore post-secondary options

## **MENTORING**

Mentoring provides all students with a supportive relationship with a more experienced individual who can serve as a role model

## LEADERSHIP IN LEARNING

Leadership involves guiding students in ways that help develop autonomy and self-direction, as well as collaboration, communication, creativity and problem-solving skills.
